

SWEDISH AMERICAN LINE

August 2, 2012—February 24, 2013
The American Swedish Historical Museum

Beauty...comfort...entertainment...and style. From 1915—1975, the Swedish American Line (SAL) offered its passengers all of this and more. From its early days as a passenger fleet for immigrants to its lavish “Around the World” cruises of the 1960s, SAL played an important role in connecting Scandinavia and America. This exhibition offers visitors a rare glimpse into the “White Viking Fleet’s” history on the high seas, its exquisite style, and stories from people who remember it all.

**Please join us at the exhibition opening,
Thursday, August 2, 2012 5:30 PM—7:30 PM**

Presentation by collector Torsten Torstensson at 6:00 PM

Free with museum admission

This exhibition is comprised of the collection of Torsten Torstensson, who has accumulated one of the most impressive SAL collections in the world. We are grateful to the Swedish American Center in Karlstad, Sweden for originating the exhibition.

This exhibition is made possible by grants from the Davenport Family Foundation, Swedish Council of America and SWEA New Jersey. We are also grateful to the Barbro Osher Pro Suecia Foundation, Midsommarklubben, Auxiliary, Philadelphia Cultural Fund, and an anonymous foundation for their generous support of ASHM.
